SUMMARY

Aspiring Computer Science and Engineering professional currently in my third year at KL University, specializing in web development, database management, and problem-solving. Skilled in Java, Spring Boot, and MySQL .

TECHNICAL SKILLS

- Programming Languages: Java, C, SQL
- Web Development: JSP, Servlets, HTML, CSS, JavaScript, React (basic)
- Frameworks & Tools: Spring Boot, Maven, Selenium
- Database Management: MySQL.

PROJECTS & EXPERIENCE

Assistant Team Lead – Design and Innovation Project OCT 2022

- Initiated and led a project that showcased innovative design ideas, selected among 65 teams from over 750+ entries in a prestigious competition.
- Collaborated with a multidisciplinary team, ensuring efficient coordination and idea execution.
- Contributed to design, innovation strategies, and project presentation to qualify in the first round.

Full-Stack Hackathon Participant and Team Lead NOV 2023 - PRESENT

- Led and participated in multiple 24- and 36-hour hackathons, developing projects using MERN, Python, and Java.
- Consistently secured top scores (10/10) for project implementation and problem-solving.
- Demonstrated strong pressure management, teamwork, and leadership skills in high-intensity environments.

EDUCATION

INTERMEDIATE

Aug 2020 - JUNE 2022

- TIRUMALA IIT & MEDICAL ACADEMY, Rajamahendravaram
- Secured 91% in the MPC (Maths, Physics, Chemistry) group

Bachelor of Technology

AUG 2022 - PRESENT

- Computer Science and Engineering KL University, Andhra Pradesh.
- Current CGPA: 9.21

CERTIFICATES & ADDITIONAL INFORMATION

-> AWS Certified Cloud Practitioner

- Issue Date: May 14, 2024 , Expiration Date: May 14, 2027
- VALIDATION NUMBER: 1ae99f3298ac4762b7547dd3baf0535a

-> Red Hat Certified Enterprise Application Developer

- Issued by Red Hat | September 27, 2024
- Verify: <https://www.credly.com/go/29uhbm86>
- Certification ID: 240-196-311
